* Oregon requires a 16 hr training. Cost varies from \$150 to \$450 depending on the vendor. The cost of the training includes the reference manual. Test needs to be passed within 2 years of taking the course.

California requires that the applicant take and pass the exam within 18 months of approval. While attempts are unlimited in this time period the cost for each additional exam is \$50.

California and Nevada require standard Law and Business exam and then the specific trade exam.

Montana, Washington and Wyoming do not require an exam. Washington and Montana require a registration only. Wyoming varies by city and county.

112. EXAMINATION

The Public Works Contractors License Board shall approve all subject areas and topics to be included in the examinations to become licensed as a Public Works Contractor. (00-00-00)

01. Frequency of Conducting of Examinations. Examinations for all classes of licenses under the Public Contractors Laws and Rules will be given a minimum of four (4) times each year in at least three (3) locations: One (1) to be in northern Idaho, one (1) to be in southwest Idaho, and one (1) to be in southeast Idaho. The applicant will be notified in writing of the date, time, and location at which the examination will be given, following approval of the application. (00-00-00)

02. Professional Testing Services. In lieu of the administration by the Public Works Contractors License Board of the examination for licenses pursuant to this rule, the Board may contract with a professional testing service, to administer the examination, and require license applicants to pay to the testing service the fee that they have set for the examination and to take such examination at the time set by such service. After taking such examination, the applicant shall provide the board with an official copy of his or her test score, before the license will be granted. If the examination is conducted in this fashion, the Board may charge and retain the application fee provided for by Section 54-1911 of the Idaho Code to cover the cost of reviewing the applicant's application. (00-00-00)

03. Required Score. The applicant must receive a final grade of seventy percent (70%) or higher prior to issuance of the appropriate license. (00-00-00)

04. Failed Examinations. (00-00-00)

a. An applicant receiving less than a passing score on a first or second examination may be reexamined without reapplication. (00-00-00)

b. Before being reexamined after failing an examination the third time, an applicant must resubmit the application and fee: (00-00-00)

c. Before being reexamined after any further failures, an applicant for reexamination must: (00-00-00)

i. Wait until the expiration of sixty (60) days from the date of the failed examination and resubmit application and fee for each subsequent examination. (00-00-00)
